Boring OR 97009

Election Day Tuesday **November 6th**

Make your vote count!

**Be sure to mail it early or drop it off at an
election drop box in your area.**

One of Multnomah County Farm Bureau Board Members

Gabrielle Rossi is a write-in-candidate for Zone 1
East Multnomah Soil and Water Conservation District Director Position

No Candidate is filed and her name did not make it to the ballot in time.
The position is responsible for the oversight and guidance of our local soil and water
resources. Issues of huge importance for the health of our local farms and
environment.

Gabrielle is a 5th generation farmer in the Parkrose area, a
University of Portland graduate and has been running her family
farm for the last 5 years. She has a good understanding of issues
concerning our natural resources and would be a good
representative for the farming community.

Gabrielle would appreciate your vote.

This is a grassroots effort and depends on us to get the word out.
